

Data protection on g4bao.com

No personal data whatsoever is logged or stored by this website, nor does it use cookies.

Anonymous data as to the country of origin are displayed by the Flag counter app on this site.

There are no facilities on this site for users to enter personal data (name, address, etc.) You visit my website without me knowing who you are and without the collection of any personal data.

Ordering by email

When you order kits from me by email, you agree to provide me with a shipping and an email address. I must keep an order book, but this data is not stored on this website but as electronic copies of your receipt. These are stored behind a firewall for 12 months and are deleted annually after I submit that year's accounts to HMRC.

Use of personal data

The use of the personal data provided by you takes place exclusively in the scope necessary for the delivery of kits. The data transmitted to me will never be used for marketing purposes.

Transfer to third parties

There is no transfer of personal data to third parties.

Information about stored data

At any time you have the right to request information about the data stored about you. If desired, such information can also be issued electronically.

Upon request, we will immediately subject the data stored about you, to deletion.

If you have such a request, please contact:
